Dear Friend:

Are you planning a garden this spring? If you want to get the full benefit of every seed you plant, let us supply you with Farm Bureau garden seeds. They're thoroughly tested for germination, they have been-selected for Michigan conditions, and they're guaranteed.

Our High School Agricultural class will take orders for them again this spring to raise money to carry on our F.F.A. program.

If you would like Farm Bureau Seeds we would appreciate your order. One of our boys will stop in to see you soon.
